# ANNUAL REPORT.

---

The Committee have pleasure in presenting the **ANNUAL REPORT AND BALANCE SHEET** for 1935.

Our ninety-ninth annual show was held at the Whinney Moor Hotel, Lupset, now the society's headquarters, which is in a large and growing garden suburb of the city.

Years ago Eastmoor was a stronghold of Tulip Culture but now the tide has turned towards Lupset and the neighbouring township of Horbury. It must not be inferred from this however that the society is dependent on one area alone, for there are exhibitors from as far away as Cheshire and Lancashire and in this neighbourhood Normanton and Altofts have worthy representatives.

We regret to report the death of our esteemed President, Mr. C. W. Needham, who for the past 40 years has been a familiar figure at our shows. His great work for the Society and love of the Tulip severs yet another link of the old Florist Fancy.

We desire to place on record the invaluable services rendered to this Society by our late President.

It is with delight that the society have for this, our Centenary Show, Sir Danial Hall K.C.B., as President.

Sir Danial Hall is noted for his scientific activities for the Ministry of Agriculture, and his keen research work on the Tulip. His book "The Tulip" is a very valuable work in the florist world.

We regret the winding-up of the National Tulip Society, "the stronghold of the south" which leaves us the only Florist Tulip Society in the British Isles.

We beg to tender our sincere thanks to our Patrons and Subscribers; the Press for their valuable support, and local papers: "The Wakefield Express" and "The Yorkshire Observer"; to the Lord Bishop of Wakefield, Sir A. D. Hall (London), Mr. T. Hewitt (Horbury), Councillor F. R. Hunter (Horbury), Mr. W. W. Hartley, J.P. (Horbury), Messrs. Cooper, MacDougall & Robertson Ltd., Messrs. F. K. Perkins, Jewellers, Wakefield, Messrs. Ind Coope's Brewery.
