

Second Minute Book

Part 2

Containing the minutes of meetings
held from
31 August 1933 to 15 October 1937

Notes

1. Although by the middle of the twentieth century a more rigid spelling of surnames had been achieved, the various secretaries of the Society often misspelt members names. In order to facilitate electronic searching though this document, **some** surnames and proper nouns in the transcription have been changed to what is thought to be the correct spelling. Where such a change has been made then the new word is shown in italics, and the actual written word may be seen in the photograph of the actual page. For example William (Bill) Beddows is often written as Beddow. All such instances have been amended to *Beddows*. A very interesting situation is that of Albert T(opham) Meens who died in 1965. During his later days within the society he was referred to as A T Means, and the timeline of the new book *Feathers and Flames* page 77 records his death as A T Means. In fact Albert was born (in Wakefield) with German grand-parents with the surname Meenz, a name which he used on the 1911 census. His death certificate is in the name of Meens and therefore this is the name which is used throughout this transcription.
2. Because of an error in the count of the Society's Annual Show (there were two 88th shows) which was not discovered until just prior to the 150th show all the counts recorded in this minute book are incorrect by one year. The transcript **has not** been amended to show the correct count.

purchase of Tulip Bulbs for new Growers.
Mr Brook kindly promised to purchase 300
from Fox of Normanton on behalf of the
society this was accepted by a proposition
from G Still seconded by W Robinson.
The last item of business was a lengthy
discussion as to the possibility of increasing
our Xmas Cheer, and the feeling was
that it should be increased in number
and quality the secretary was instructed to
attend to same. Pro Mr Brook seconded
W Robinson} That Xmas draw be left intirly
